1. Madden Roof Pans can always be added at a later date.  
Therefore, you can always increase the size of any Patio Cover.
2. This unique modular system gives you the flexibility to get started within your budget and add later.
3. All Madden products are 100%  
**AMERICAN MADE**, and we're proud of it!
4. Only Madden lets you be creative:  
make it bigger, insulate it, screen it in,  
but most importantly- **ENJOY IT!**
